

Dear Friends,

The response to the disaster in Haiti has been very heartfelt in Huron. The government has announced that it will match Haiti donations received from Canadians. Please note that in order to have funds matched, there is a little different process from regular HHF/PWRDF donations.

**For funds to be matched, they MUST be received by PWRDF or Huron Hunger Fund by February 12, 2010.**

- Cheques/Donations MUST be designated "HAITI EARTHQUAKE"
- Donations may be sent directly to PWRDF by individuals and will be receipted by PWRDF  
**80 Hayden Street  
Toronto, ON M4Y 3G2**
- Donations may be sent to Huron Hunger Fund (payable to HHF) and will be receipted by PWRDF  
**190 Queens Ave.  
London, ON N6A 6H7**
- Donations collected by churches may be sent to PWRDF or HHF with a list of the donors with their complete address and date of donation. They will be receipted by PWRDF, so **do not** receipt them at the church. They must be received at PWRDF or HHF by February 12<sup>th</sup> to qualify for matching.

If you have any further questions on this process, please do not hesitate to contact:
